INTRODUCTION TO WOLVERHAMPTON GRAMMAR SCHOOL

Wolverhampton Grammar School was founded in 1512 by Sir Stephen Jenyns to provide a “good, moral education” for the children of Wolverhampton.

Although that same impulse motivates us today, children now join our School community from across Wolverhampton, Staffordshire, Shropshire and the wider West Midlands region.

We partner with a range of local and national organisations to deliver a rigorous education both within the classroom and outside the School. These associations include the prestigious Merchant Taylors’ Company where our founder was twice elected Master.

Over 500 years later, Jenyns’ school is now an award-winning, successful co-educational independent school with a national reputation and an alumni community that spans over 30 countries.

Our Compton Road campus, located to the west of Wolverhampton spans over 25 acres, with stunning architecture offering a reminder of our School’s rich history. The large school hall, affectionately known as “Big School” by our staff and students is a well known local landmark and reminder of our long, successful heritage.

National award winning and judged “Excellent” in all areas by the Independent Schools Inspectorate, as the leading independent school in the city we enjoy an outstanding reputation and put the wellbeing of our staff and students at the heart of everything we do.
